Facilities Planning and
Management

2016-2017 Activities

WSU tour group poses in front of bales of plastic recyclables.

2017 Recycling / Waste Focus

- Enhance campus recycling throughout the campus
- Stronger collaboration and alignment of resources to recycle across all waste streams to increase the WSU diversion rate
- Examine ways to reduce and reuse across waste streams
- Improve data collection and metrics to assess waste and recycling efforts
- Strengthen communications around recycling and waste reduction
- Engage campus to participate in recycling workshops
